Brief description of the business (up to 100 words)	<p>Ball Corporation supplies innovative and sustainable packaging solutions for beverage, personal care and household products customers, as well as aerospace and other technologies. Founded in 1880, the company employs more than 21,500 people worldwide. Ball Corporation stock is traded on the New York Stock Exchange under the ticker symbol BALL.</p> <p>Building on 140 years of packaging innovation, Ball has launched a global collaboration with our customers and consumers to build a circular economy. Ball leads in aluminum packaging because we approach the needs of our customers and the marketplace with creative can and bottle designs developed with the end user and environment in mind. We believe in a holistic approach to manufacturing, innovation and sustainability - by combining low carbon aluminum, recycled content, weight reduction, and supporting global recycling initiatives we are creating value for the communities where we work and operate,</p> <p>We strive every day to continue bringing value beyond quality and price to customer relationships, but to continually demonstrate how we can help our customers succeed.</p>
