Brief description of the business (up to 100 words)	Casablanca was born in 2012 to cover the packaging needs for aerosols of the Indian market, located at Bhiwadi, Rajasthan. The company has two state-of-the-art manufacturing lines with 8 colour printing at 200 cans/minute. Currently, the facility is operating at a staggering capacity of 125 million cans per year, a distinction enjoyed by very few in the market. We are adding our capacity by approx. 90 M in 2023 in line with its clear vision to seek a new market.
