Brief description of the business (up to 100 words)	<p>Stella Industries Limited has been manufacturing personal care products. Which is the heart of their business for many years. SIL is fully committed to adding value to all products manufactured by them with its expertise in quality product capacity and resources. SIL continuously work to meet the needs of their valued customers. One-stop shop for all cosmetic services right from design development, filling, packaging and presentation of the final product. The vision statement of SIL envisions the following. We at SIL shall always strive to cater to our clients with world-class products which are in line with the emerging technology and trends around the globe. The company has a clearly defined mission statement, which says we at SIL had envisioned a future where we would promise only that which we could deliver. And that is how we aim to keep it, today, tomorrow and in the times to come in the future because we know that deliverance is the basic block on which a strong customer-client relationship can be formed.</p>
